## News & Thanks

We have recently had a fantastic AGM at Northcote Baptist with Dale Campbell leading us in worship, Jean Griffiths sharing and Geoff Wong from our committee giving his testimony.

Most of the CFFD committee were away at the ELEVATE Leadership Camp recently held at Totara Springs, Matamata This was a great time of fellowship and sharing and looking ahead to the future of ELEVATE Christian Disability Trust as well as for the Branches and Ministries. It also gave us an opportunity to learn from other branches and look and at how we can do things better for CFFD Auckland in the future including how we structure our events.

In our last newsletter we advertised a Marae visit in August. We are now not doing a Marae visit in August. Instead we are focusing on our area group meetings. At this stage we are looking at possibly going to a Marae next year. We need some more time for planning this event to ensure it runs well.

If you would like to join one of our area group meetings you can find the details on the next page. We now have 3 area groups running - Central, West and North Shore. We hope to have South and East area groups running in the future once we find people who can run these groups.

If you live in South or East Auckland and would be interested in running an area group in these areas please contact us and let us know.

Our next official event coming up will be our Christmas dinner in November. Details will be confirmed in the next newsletter. The guys may also have another guys day out coming up which will be held sometime before December.

Our purpose is to encourage everyone through friendship to know Jesus Christ  
and to help each other develop our God-given talents for His Glory.
