Simple biblical teaching is given in a relevant way. Our aim is that every child comes away with lasting memories of what they have experienced, explored and enjoyed at our camp.

We focus on building strong, healthy relationships with other children (with and without physical disabilities) and with group leaders.

We have a weekend packed full of activities, action and fun-

- **Team games and competitions, songs**
- **Orienteering on a wheelchair accessible track**
- **Quad bikes**
- **Craft**
- **Discussions, GREAT FOOD and LOADS of FUN!**

The camp fee is *approximately* \$120 (*subject to change*).

We also accept payment by way of Ministry of Health carer support forms.

Day visits and rates can be organised on an individual basis if a full weekend stay is unsuitable.
