## News & Thanks

We have recently had a great weekend camp at Carey Park Henderson. The weather was brilliant and everyone had a good time with the camp activities. Our camp theme was Mission: Not Impossible. Ruth Beale from CFFD Philippines who is based in Wellington was our camp speaker. Thank you to all the helpers who came and helped make our camp possible. Most importantly thank you to COGS (Community Organisation Grants Scheme) for helping to fund our camp.

There is a prayer morning coming up on Saturday 12th July from 9am to 12pm at the centre. Come and pray with us for the needs of our community, and the work of CFFD.

Coming up on Saturday 2nd August at the centre (173 Mt Smart Road) There is a Ladies day for all the Ladies (sorry no guys allowed). This will be a day for the ladies to meet and socialise and do fun things together. Bring your own lunch.

**We will be changing over to an email format type newsletter in the near future which will help cut our printing costs and be easier to read. As technology has changed so has the way in which we communicate which has meant the cost of postal mail is also increasing. While we currently have free community postage envelopes we may not always have access to these in the future.**

If you would like to receive our newsletter by email can you please let us know by sending an email to: [cffdauckland@gmail.com](mailto:cffdauckland@gmail.com) with the subject "CFFD email newsletter". You can also sign up to the email newsletter by going to our website: [www.elevatecdt.org.nz/aucklandcffd](http://www.elevatecdt.org.nz/aucklandcffd). The email newsletter will not be a PDF file attachment. You will be able to read the newsletter in your email program.

If you prefer to get a printed copy of our newsletter by post that is fine. We can still post it to you. The printed newsletter will be the same as the email newsletter which will be set out in a 2 page/double sided A4 newsletter format. If you receive the newsletter by email you will get it quicker than if we print it and post it to you. You will be able to print the newsletter out on your own printer to read if you want to or you can read it on your smart phone or tablet if you have your email address connected to them.

Our purpose is to encourage everyone through friendship to know Jesus Christ and to help each other develop our God-given talents for His Glory.
