+++++ **What did the Joy Ministries National Camp mean for you?** +++++
This was held 16-18 May 2014 at Totara Springs Christian Camp in Matamata.

"I was my daughter's caregiver at camp for the first time. We both had an awesome time. I want to thank all those who ran this. It was so kool to see how everyone was having such a great time. The theme of 'Walking with Jesus' was very special and the services with the footprints pictures was a great way to explain in a way we could all understand. My daughter loved the worship time too. Thankyou all so much. Hopefully I shall be able to come to more camps in the future. Blessings to you and your team."

"This year's camp has made me feel welcome and it also had an open atmosphere which made me feel comfortable. I am proud to be a part of the ongoing involvement of myself and my family within Joy Ministries, which this camp is an expression thereof. My Highlight was when my fiancé and I had to sit with and look after a young girl. I had to reassure her until her father arrived."

"This was a great camp, much bigger than we had before. We needed to use the lodges as well as the bunk rooms wow. Was great to see everyone enjoying themselves, and having fun. And the baptism; was great to see one of our regulars finally making the choice stand up with her friends and take the plunge. Camp was awesome."

"Camp was really choice. I enjoyed playing games and talking to people. I liked sleeping in the Lodge. I would like to go again. Thank you to everyone that helped at the camp. God Bless."
