

We would like to acknowledge and thank Community Organisation Grant Scheme (COGS) for their support and sponsorship of this camp, so the fees can be kept at below the actual camp cost of \$180.00 per person.

Our theme this year for camp is “Encounters”.

Our speaker this year is Joan Parker from CFFD Hawkes Bay. Last year, Joan celebrated 30 years as Chairperson and 40 years of CFFD ministry in Hawkes Bay. Having Cerebral Palsy and other physical challenges, Joan has always been determined to navigate life with a mindset of independence. She is also the Chairperson for Country Woman's Association and involved with the Amputee Society.

She is well known for her amazing Christmas cakes which she makes as fundraiser for CFFD Philippines each year.

However, Joans biggest passion is to see other people with disabilities reach their potential and to be inclusive in society. Joan will be sharing her amazing testimony, giving a message and sharing many stories of her encounters with the Lord. She will inspire us to take up new challenges and not allow disability to hinder or limit us.

Campers with a disability: This camp is for you!

We will pair you up with a buddy to provide friendship, care and support for camp.

Personal Care: Some campers require a high level of personal care and you will **need to bring your own support person**. This ensures your care continues at the high level you are familiar with. We will try to provide an additional buddy/carer to assist over the weekend. If you are unable to provide a support person, please register as a day visitor only.

Helpers: For those who are coming as helpers, we welcome you with open arms! There will be time set aside on Friday evening to train you how to help your buddies. You will be fully supported all weekend by your cabin leader, the camp committee and an on-site nurse. We cannot stress enough how much we value and need our helpers.

We cannot hold our camp without you.

We need to update our records so will require that all helpers complete a police check form to protect our more vulnerable campers.

Children and Teenagers: This camp is for people of ALL ages, and therefore children with physical disabilities are more than welcome! We will provide alternative activities during the weekend if required. Please note that we will carefully select buddies who will work with children. There will be late nights, with an afternoon sleep on the Saturday. You are welcome to come as a family, and we ask that you please call or text Viv Riddell on (021) 294 0320 to discuss this.
